

## **Parenting a Prodigal Child - Video 3**

### **Obstacles/Mindset to Overcome:**

1. Fretting over your prodigal child
2. Talking to others about it, rather than praying for your prodigal.

3. Taking it personally, rather than realizing that it is a spiritual battle.

**FOCUS VERSE: John 8:32**

Lord, I pray that \_\_\_\_\_ will know the truth and the truth will set him/her free.

**ACTION STEPS:**

1. Set up a time this week to get with a friend and pray together over your prodigal child, as well as pray for you to trust God and have His peace.

2. When you find yourself fretting over your wayward child, go to Scripture and claim a promise to pray for that child. (See 20 Scriptures to Pray for the Prodigal)
